Vasque Mercury  
GORE-TEX® Footwear with  
XCR® Product Technology

Footwear made with GORE-TEX® fabric is the most tested in the world. It's how we know it will provide predictable comfort every day, in all conditions. Every footwear design that uses GORE-TEX® fabric must endure hours of testing and be flexed up to 200,000 times underwater. There can be no leaks and no excuses. Only then can it carry the GUARANTEED TO KEEP YOU DRY® promise. Shop for great gear at [gore-tex.com](http://gore-tex.com)
